5) Click on the blue *Manage Fundraiser* button to personalize your page.
6) Re-enter your login credentials (e-mail and password.) Click on *Let's Go*.
7) You will then be directed to your Fundraising tool kit page.
8) Click on the smiley face to upload a picture of yourself.
9) Click on the "Tell Your Story" box.

1. **Tell Your Story**: Here is where you can write a brief description of what KHK means to you. Why should someone donate to KHK? What makes KHK different? What leadership skills have you developed since joining KHK?
2. **Set A Goal:** How much do you think you can raise for KHK? Aim for the sky!
3. **Your Story Image:** Why not add a photo of you volunteering at a KHK event? Ask us if you need a pic!
4. **Video Link:** Instead of an image, you may choose to upload a YouTube video or Vimeo link. (This is optional.)

10) Click on Save Changes
11) Please rally support around KHK by sending an e-mail to your family and friends. We suggest sending it out one week before Giving Day and also sending a reminder the day before.

Reach Out
Send emails to friends and family and ask for support.

We know asking people for donations can be scary, so consider reaching out to close family members or friends first. This will help build some momentum for your campaign and give you the confidence you'll need when reaching out to others.

Send Email   **Access Contacts**

Share Socially
Share to Facebook and Twitter.

12) **Most importantly, on February 28th** please share the link on social media, email or text! Remind your friends and family that it is Giving Day and ask them to make a donation!

Thank you for supporting KHK on Giving Day!
If you have any questions or need assistance setting up your page, please call Jen at (203) 884-1501.

A lot of people doing a little is what we are all about!
