

# KIDS HELPING KIDS: ANNUAL PUMPKIN BREAD BAKE SALE

## SAMPLE EMAIL

Consider emailing your friends and family about the opportunity to support you and Kids Helping Kids! The sample below is just a guide. You can use your own words, or copy and paste the email below.

Hello!

Every year, Kids Helping Kids youth volunteers join together to bake delicious, nut-free pumpkin bread as part of our annual fundraiser. This year I am helping to support the bake sale by selling delicious loaves to friends and family!

Each loaf is beautifully packaged and makes a great host/hostess gift. They also freeze well, so you can stock up in advance! Loaves can be purchased for \$10/piece with all proceeds benefitting Kids Helping Kids - helping to support youth-led service projects that empower kids throughout the community. To learn more, visit the website at [www.kidshelpingkidsct.org](http://www.kidshelpingkidsct.org), or ask me!

If you would like to support KHK - and me - please let me know! You can order through me or directly from the website. We bake the bread on October 28 & 29 - Bread will be ready for pickup on October 29. You can order loaves for yourself and/or indicate that you'd like your loaves to be donated to local families in need.

Like every other Kids Helping Kids project, the Pumpkin Bread Bake Sale was created by a kid and has grown every year due to the involvement and leadership of other kids! All of our work helps to create leadership skills and shows us our potential to make a difference for others. I love being involved!

Thank you so much for helping me help others! Have a great holiday!

Thanks!
