

# Annual Pumpkin Bread Bake Fundraiser

Our annual Pumpkin Bread Bake Sale is a favorite project of many of our youth volunteers! It is a great opportunity for kids to work hands on in a fun and delicious way that also supports Kids Helping Kids! All sales proceeds go directly to Kids Helping Kids and will help the organization grow in 2021!

**This year, we would like to surpass last year's sales of 2300 loaves - and we need your help to do it!**

We believe in the power of our youth volunteers to work together to spread the good word about Kids Helping Kids!

**In order to meet our goal, we will need everyone's support, parents included. Please consider setting up a bread selling booth at any of these locations:**

- Your school (hint: hold it at dismissal time so adults will be there to buy!)
- Your dance studio, gym, sports practice, Scouts meeting, etc
- Your place of worship
- Your parent's office
- Your local supermarket or bookstore

We will be baking the bread on Wednesday, October 28 & Thursday, October 29. We suggest getting permission to hold a sale on the following day - Friday, October 30th - or that weekend.

Our pumpkin bread promotional kit includes strategies for selling the bread and an order form to track your sales. If you need help, please reach out to us. We are here to support you! All the sales tools are also online:

<http://bit.ly/PumpkinBreadBake>

Remember to wear your KHK T-shirt when you set up the bread booth and we encourage you to work together! Invite your friends to join you and create your own sales team!
