Annual Pumpkin Bread Bake

Our annual Pumpkin Bread Bake Sale is a favorite project of many of our youth volunteers! It is a great opportunity for kids to work hands-on in a fun and delicious way that also supports Kids Helping Kids! All sales proceeds go directly to Kids Helping Kids and will help the organization grow in 2022!

This year, we would like to meet our goal of selling 2,500 loaves - and we need your help to do it!

We believe in the power of our youth volunteers to work together to spread the good word about Kids Helping Kids!

In order to meet our goal, we will need everyone’s support, parents included. Please consider setting up a bread selling booth at any of these locations:

- Your school (hint: hold it at dismissal time so adults will be there to buy!)
- Your dance studio, gym, sports practice, Scouts meeting, etc
- Your place of worship
- Your parent’s office
- Your local supermarket or bookstore

We will be baking the bread on Wednesday, November 17 & Thursday, November 18. We suggest getting permission to hold a sale on the following day - Friday, November 19th - or that weekend. **This year all loaves of bread will have to be purchased in advance. This means ambassadors can either take pre-orders and collect money ahead of time or pay for packs of bread themselves and keep sale proceeds as they sell.**

Our pumpkin bread promotional kit includes strategies for selling the bread and an order form to track your sales. If you need help please reach out to us. We are here to support you! All the sales tools are also online: http://bit.ly/PumpkinBreadBake

Remember to wear your KHK T-shirt when you set up the bread booth and we encourage you to work together! Invite your friends to join you and create your own sales team!

FAQ's

1. Is the pumpkin bread nut-free?
Yes, however, it was made in a facility that processes peanuts.

2. When and where should I go to pick up the bread I have ordered?
The bread will be available for pick up at Grade A ShopRite at 1990 West Main Street in Stamford on Thursday, November 18th between 5:00-8:00 pm.

3. What if I sell out of bread! Can I order more?
This year all orders must be placed by November 10th so we suggest taking pre-orders to ensure you receive enough.

4. Some of my customers want to donate bread to the shelter.
That's wonderful! Your customers will pay you - just like any other order - and KHK volunteers deliver the bread to a local shelter. There is a column on the order form where you can indicate the number of loaves for donation. If your customer is ordering online, there is also a field to designate donated loaves.

5. My neighbors and family want to order bread online.
Bread can be ordered online at: http://bit.ly/PumpkinBreadBake. Click on the 'add to cart' icon. Customers can donate loaves and/or buy for themselves. Loaves purchased online will be available for pick up on November 18th by last name.

6. When is payment due from the seller to KHK?
All loaves of bread must be purchased before pick-up. All volunteers who attend the bread bake shifts agree to purchase a minimum of 10 loaves to sell ($100). Payment can be made via the website when pre-ordering or via cash, check or Venmo the day of their shift.

7. Do I need to collect payment when an order is placed?
No, but it is a good idea! Otherwise, you will collect it when you deliver the loaves of bread to them. In any case, payment is due to KHK at the time of pick-up.

Hello!

Every year, Kids Helping Kids youth volunteers join together to bake delicious, nut-free pumpkin bread as part of our annual fundraiser. This year I am helping to support the bake sale by selling delicious loaves to friends and family!

Each loaf is beautifully packaged and makes a great host/hostess gift. They also freeze well, so you can stock up in advance! Loaves can be purchased for $10/loaf with all proceeds benefitting Kids Helping Kids - helping to support youth-led service projects that empower kids throughout the community. To learn more, visit the website at www.kidshelpingkidsct.org, or ask me!

If you would like to support KHK - and me - please let me know! You can order through me or directly from the website. We bake the bread on November 17 & 18 - The bread will be ready for pickup on November 18th in the evening. You can order loaves for yourself and/or indicate that you'd like your loaves to be donated to local families in need.

Like every other Kids Helping Kids project, the Pumpkin Bread Bake Sale was created by a kid and has grown every year due to the involvement and leadership of other kids! All of our work helps to create leadership skills and shows us our potential to make a difference for others. I love being involved!

Thank you so much for helping me help others! Have a great holiday!

Thanks!
